Who We Are

Dastify Solutions is a leading medical billing company that's redefining healthcare revenue cycle management, helping practices across the USA reclaim time, revenue, and peace of mind.

Operating from Texas to California, we merge AI-driven precision with human expertise to deliver unmatched accuracy and efficiency. Our team of certified billing professionals works alongside advanced technology to ensure your practice gets paid completely, on time, every time.

Our mission is simple: To make your practice's financial health as strong as your patient care.

When Your Practice Grows, We Win Together.

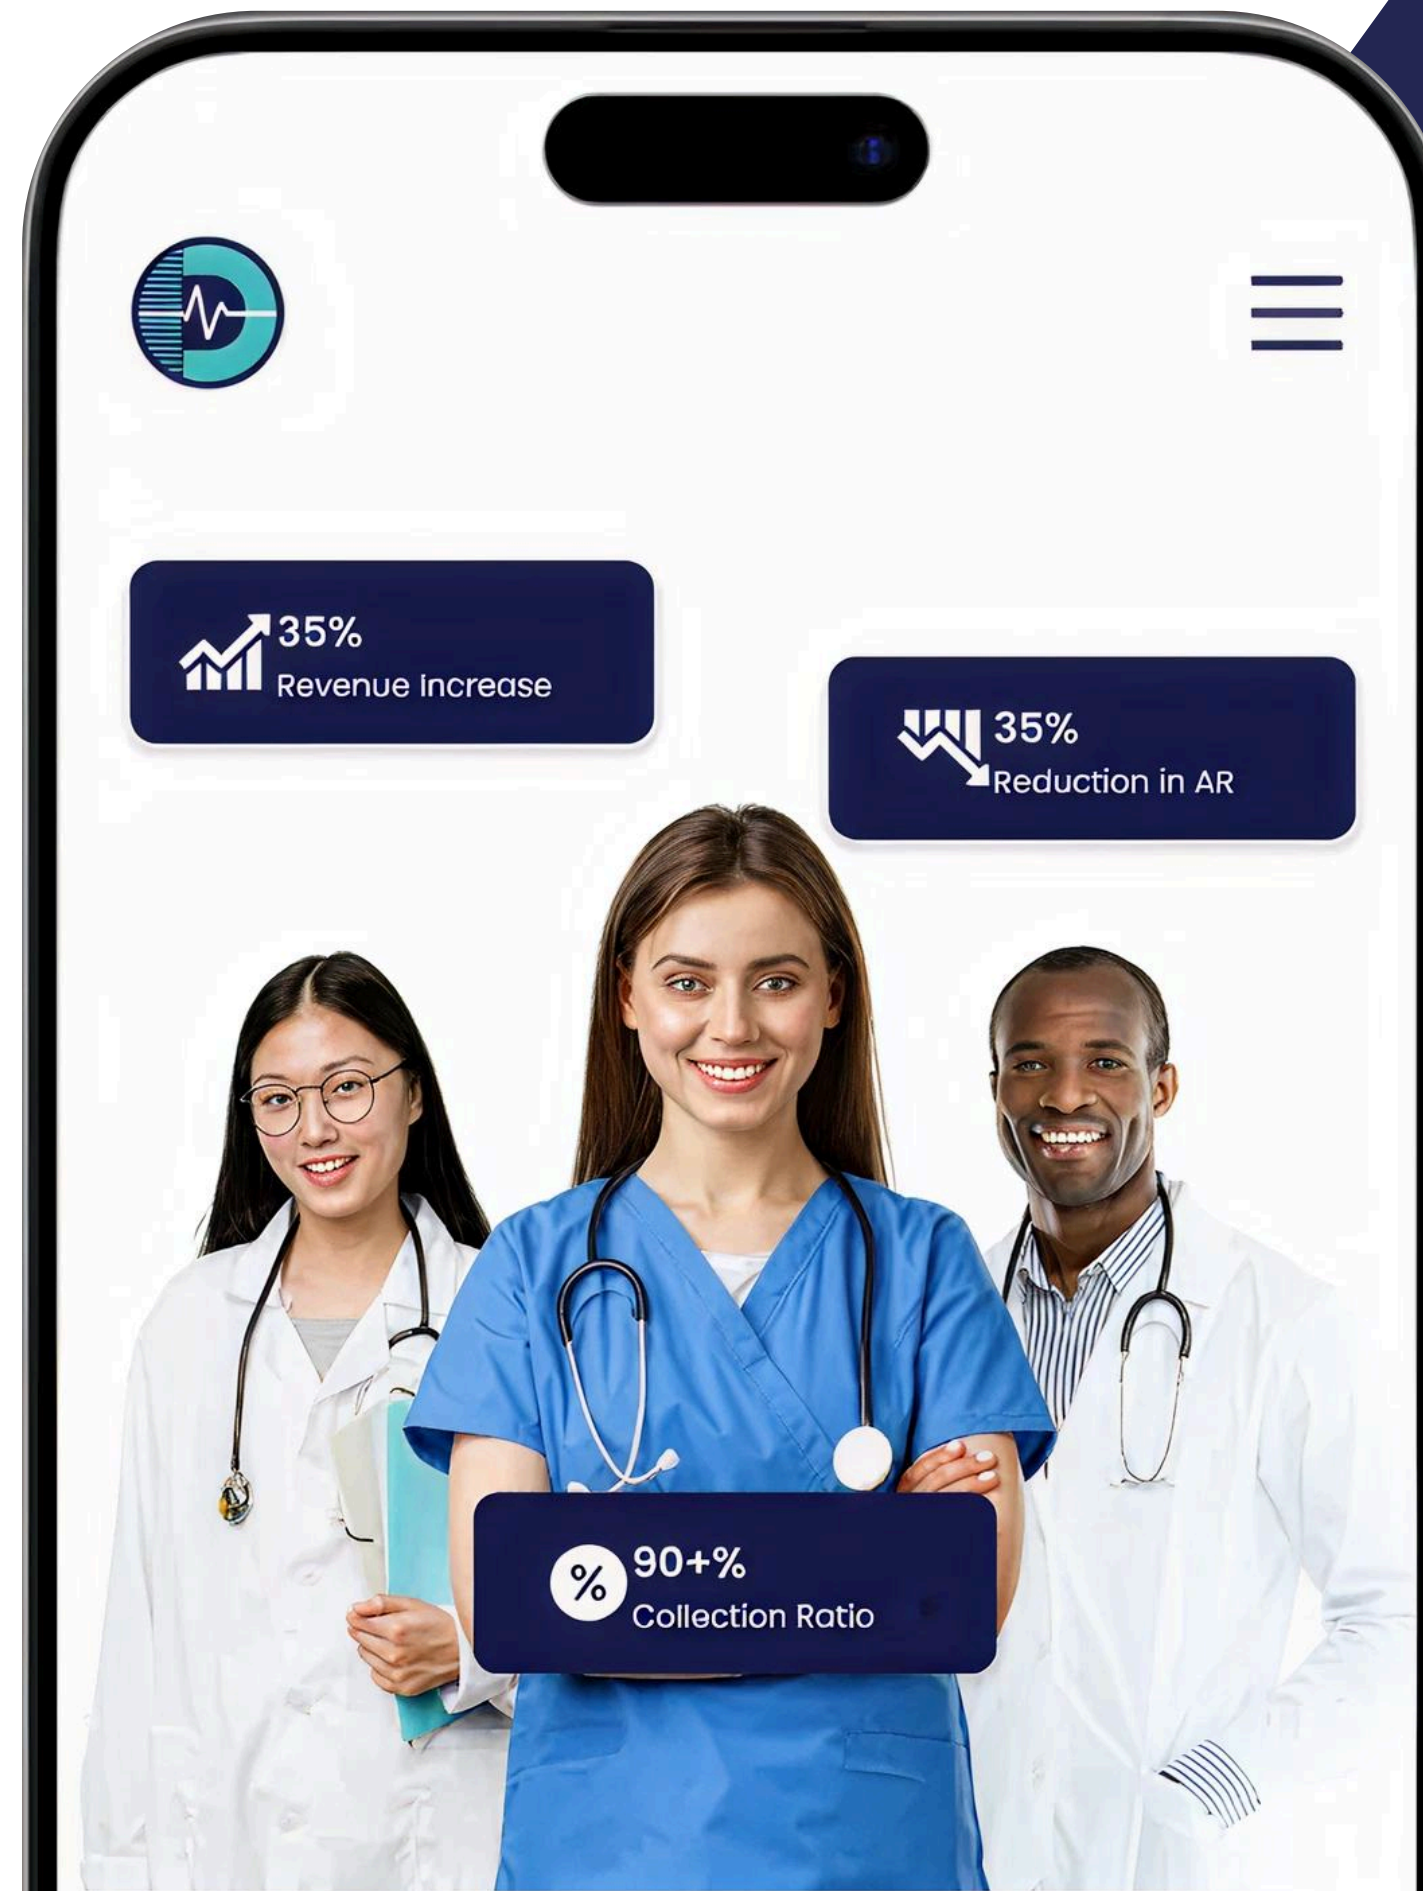

Our Vision

To be the most trusted partner in healthcare billing, recognized for accuracy, innovation, and unwavering commitment to our clients' financial health.

Our Mission

To empower healthcare providers with seamless revenue cycle management, enabling them to focus on what matters most — delivering exceptional patient care.

Core Values

- ✔ **Patient-First Approach**
Every claim we process represents a patient who deserves quality care
- ✔ **Integrity & Transparency**
Honest billing practices that build trust with payers and patients
- ✔ **Innovation**
Leveraging AI and automation to stay ahead of industry changes
- ✔ **Partnership**
Your success is our success we grow together

Client Success Stories

Real results from healthcare providers who trust Dastify

Harlee Mallin

Dastify Solutions has been a huge help with all of our surgical prior authorizations. They are reliable, efficient, and make the process so much easier. We can always count on them, which allows us to focus on providing the best care for our patients. Highly recommend!

Starr With The Steens

Dastify is awesome! They have assisted our company every step of the way. They are easy to work with and are always responsive and professional. I would recommend them for all of your billing needs!

Chelsey Murrell

Very happy with Dastify's services for our practice. We highly recommend them! They are very thorough and professional.
